स्वच्छ भारत अभियान Swachh Bharat Mission

- As part of the ongoing 'National Sanitation Campaign', an awareness programme on hygiene and sanitation was organized at Village K. M. Bhalia Shahi in R. Udayagiri block of Gajapati district on 6th April, 2015. During the programme, the tribal farm families were sensitized about the recycling of farm wastes. The cow dung, and other cattle shed wastes lying scattered were collected by the villagers, and kept in one place for future use as manure.

National Sanitation Campaign-
Recycling of Farm Wastes
