स्वच्छ भारत अभियान Swachh Bharat Mission

As part of the ongoing **Swachh Bharat Mission**, awareness campaigns on hygiene and sanitation were organized at two Villages viz., Kamaninga and Binjharpur in Dhenkanal district in Odisha on 25th July 2015. The programmes were organized as part of the Scientists-Farmers Interface Meetings under the Collaborative Project on 'Livelihood and Nutritional Improvement of Tribal Farmwomen through Horticulture'. In both the places the farm families were sensitized about **Swachh Bharat Mission**, and awareness was created about hygiene, sanitation and prompt disposal of household and farm wastes.
