

Corrigendum No.: ICAR-CIWA/AUCTION/MANGO AND SAPOTA/2026-27/STORE01

Date: 22.04.2026

Subject: Corrigendum to Tender Notice No. ICAR-CIWA/AUCTION/MANGO AND SAPOTA/2026-27/STORE01 dated 22.04.2026 regarding disposal/auction of mango and sapota produce.

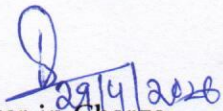

With reference to the above-mentioned tender notice, it is hereby informed that during the pre-bid interaction/auction proceedings, it has been observed that the stipulated date of 30.05.2026 for lifting of mango and sapota produce is not practically feasible, considering the stage of fruition, anticipated volume of produce, and logistical constraints, as indicated by various bidders and the Officer-in-Charge (Experimental Farm Units).

In order to ensure wider participation of bidders, promote fair competition, facilitate better price discovery, and ensure smooth and successful disposal of the produce, the Competent Authority has approved the following modification in the tender conditions:

The last date for lifting of mango and sapota produce is hereby extended from 30.05.2026 to 30.06.2026.

All other terms and conditions of the tender shall remain unchanged.

This corrigendum shall form an integral part of the tender document and must be duly noted and complied with by all prospective bidders.
